

ALEX SHARMA

Senior Data Scientist & ML Engineer

alex.sharma@email.com | +91-9876543210 | Bangalore, India

PROFESSIONAL SUMMARY

Experienced data scientist with 6+ years in Python, Machine Learning, and NLP. Built production ML pipelines using PyTorch and Scikit-learn on AWS. Proficient in SQL for data engineering and Pandas for data manipulation.

TECHNICAL SKILLS

- Languages: Python, Java, SQL, JavaScript
- ML/AI: PyTorch, TensorFlow, Scikit-learn, NLP, Computer Vision
- Data: Pandas, NumPy, Spark, PostgreSQL
- Cloud & DevOps: AWS, Docker, Kubernetes, CI/CD
- Web: React, Node.js, HTML, CSS

WORK EXPERIENCE

Senior Data Scientist · TechCorp India (2021-Present)

- Led NLP team building text classification models with PyTorch and Transformers.
- Deployed ML models on AWS using Docker and Kubernetes.
- Built dashboards with React and integrated Spring Boot REST APIs.

Data Scientist · DataWorks (2018-2021)

- Developed predictive models using Scikit-learn and Pandas.
- Wrote complex SQL queries for data pipelines on PostgreSQL.
- Implemented CI/CD pipelines for automated model deployment.

EDUCATION

M.Tech in Computer Science · IIT Delhi (2018)

B.Tech in Computer Science · NIT Trichy (2016)
